

## Our Facility

Buckeye Select Kennels is located on a 6 acre country setting in Waynesville, Ohio. We are a newer facility. Our kennel is bright, cozy and very roomy.

We offer a safe and happy boarding environment for you pet. We are dedicated to the highest standards of care during your pets stay.

At Buckeye Select, WE HAVE A LARGE GRASSY EXERCISE YARD for your dog to enjoy, either socially or individually, whichever you choose. Our philosophy is lots of fresh air and exercise daily.

The Kennel is located behind our home, which allows close supervision of the pets in our care. We recognize the fact that boarding can be very stressful for some dogs and owners, we want to give you the peace of mind that your pets are receiving the very best care while you travel.

## Our Kennels

We have 32 kennels at our facility. All of them are 4 x 11 indoor/outdoor runs. The

outdoor area of the run is completely covered.

Our kennel has **radiant heated floors**, for those cold winter days, so your pet will stay warm and dry. We also have ceiling fans throughout.

## A typical day at our kennel...

At about 8:30am, all guests receive a biscuit and then it's time for breakfast and their first time outside. At noon they all go outside. At dinner time, they get fed and go outside again. The final trip to the kennel is about 9:30pm. By this time, their dinner has had time to digest. They all go outside and then everyone receives a biscuit and it's lights out for bed.

As you see.....**ALL OF OUR GUESTS GET TO GO OUTSIDE 4 TIMES PER DAY!**

We hope you find that Buckeye Select is the best choice and value for your pets boarding needs.

So...bring your dog to Buckeye Select for some country R & R.

## Kennel Prices, Requirements & Suggestions

Small: 1 - 25 lbs -----\$15

Medium: 26 - 75 lbs -----\$19

Large: 76 lbs and up -----\$22

We charge just like a human hotel. Check-in

day is a paid day. Check-out day, if the guests are gone between 9 and 11am, there is no charge for that day.

**We require that each guest be vaccinated against Rabies, Distemper and Bordetella (Kennel Cough).**

We allow any type of bedding to be brought, although, we do not suggest that you bring your good bedding from home. However you could go to the thrift store or such, get a blanket and place it in your home for a time. Having the family scent on it can be very comforting to your pet.

You may also want to bring a few toys and/or chew bones for their stay. There are solid partitions between kennels, so this eliminates any feuding over these items.

You are welcome to call and check on your pet anytime while you are away. Comments and/or suggestions are welcomed and encouraged.

**We have a vet on call in case of an unforeseen emergency.**

**WE ACCEPT CASH AND CHECKS ONLY AT THIS TIME.**

## About Us...

BILL & KAREN

Buckeye Select Kennels is a family built, owned and operated facility. Bill is a full time Police Officer and works in the Kennel when he is not on duty. Karen runs the Kennel and takes care of all the "behind the scenes" work that needs to be done. She also does grooming and training as well. Karen did child care for 15 years prior to building the kennel, which she believes, was just prep work for what she does now. We have more than 22 years of experience caring for dogs.

We have 5 children ages 9 to 22. The children love dogs and have all been taught respect for them. They enjoy playing with them and helping in the kennel too.

We are a family of animal lovers. Currently we have 2 horses, 2 goats, 3 dogs, 2 cats and 1 rabbit.

Our aim is to provide a safe, clean and comfortable environment for every pet boarded with us. To make their stay as pleasant as possible we provide lots of hands-on attention to each guest.
